1. Please fill in the attached COSHH (Declaration of De-Contamination) form regarding the usage environment of the equipment, in order to be able to consider any risks in the processing of the equipment. Fill out at least the device identification information, process medium, and contact information. Note: For security reasons, equipment will not be accepted for inspection without the announcement being filled in and signed.
2. Please pack the equipment ready for shipping, attach the completed COSHH, and ship the equipment to the address listed above.
3. If the shipping is agreed to be carried out by Endress+Hauser, please return the COSHH and this form with all fields filled in to the Endress+Hauser retailer, and Endress+Hauser will have the item collected.
